

Council of Governors

OUTCOME OF INNOVATIONS AND LEARNING FORUM FOR COUNTIES

HELD ON 15th AND 16th JUNE 2017

ICT SECTOR INNOVATIONS AND THE INTERESTED COUNTIES

INNOVATION	COUNTIES INTERESTED	REASONS
Using Digital video for effective Agriculture in Ethiopia	TANA RIVER COUNTY	Video attracts the youth and old alike. By using this media we could reach more people and enlighten them on the benefits.
	NANDI COUNTY	Seeing is believing; hence videos convince the farmers to adopt new technologies.
	BOMET COUNTY	The existence of an organized structure of cooperative / agriculture. It is used to up-scale the extension service and capacity building and increase farm production.
	KISII COUNTY	A modern and efficient technology for offering extension services to farmers.
	NYANDARUA COUNTY	Use of digital video for effective extension.
	TURKANA COUNTY	Increased use of Media can help attract the youth to Agriculture.
	ISIOLO COUNTY	Skill employment and a nurturing art of study. Helps youth to use new technology.
	HOMABAY COUNTY	The innovation is inclusive. The innovation is simple to implement.
eJijipay (automated revenue collection platform)- Nairobi County	NANDI COUNTY	Increase in revenue collection and drop in corruption.
	TRANS NZOIA COUNTY	The innovation will improve revenue collection, reduce corruption and work at the convenience of the customer.
	KITUI COUNTY	To maximize revenue collection and even advance to business permits.
	KERICHO COUNTY	Automation of revenue collection.
	TAITA TAVETA COUNTY	The County requires this to automate its troubled payment system.

INNOVATION	COUNTIES INTERESTED	REASONS
	SAMBURU COUNTY	Enhances revenue collection; More revenue is collected.
	MURANG'A COUNTY	Improved revenue collection and accountability.
	THARAKA NITHI COUNTY	Automation of revenue collection to replace the current manual system of revenue collection.
ICT-Agriculture; WhatsApp tool/app Bomet County	LAMU COUNTY	Use of WhatsApp for extension services is easy to implement.
	ISIOLO COUNTY	Reduced number of extension workers due to retirement and attrition without replacement and this would be a good alternative.
	LAIKIPIA COUNTY	A large number of staff are aging and retiring. Inadequate funds to hire new staff. To improve networking in Agriculture extension.
We Farm (SMS- based extension services for farmers)	BOMET COUNTY	Support extension services through information sharing to improve farm production.
	NAKURU COUNTY	Many farmers have no smart phones Quick dissemination of relevant information necessary due to many diseases and pests.
	BARINGO COUNTY	Provision of digital platform and data for decision-making.
	KISII COUNTY	A fast and efficient way of passing messages to many farmers at a go.
	BUNGOMA COUNTY	Free to register. Can reach many farmers at a go.
	LAMU COUNTY	Easy to implement; only needs a handset to star.
