## INSIDE THIS ISSUE

### GENDER RESPONSIVE BUDGETING

On 12th- 25th October 2016, the Council of Governors in partnership with UN Women, held several workshops in order to sensitize county governments on the importance of Gender Responsive Budgeting (GRB).

### PLANNING FRAMEWORK AND CLIMATE CHANGE WORKSHOP

Planning ensures that orderly growth and development in a region is clearly factored. In this regard, counties are in charge of land survey, mapping, boundaries and housing development.

### TRACKING THE FRUITS OF DEVOLUTION

Through devolution, Kenya has witnessed major positive changes especially in the devolved functions. To capture some of these milestones, the Council of Governors started the Devolution Torch Campaign in a bid to gather information and mwananchi's opinion on devolution and its challenges if any.
